NEW THIS YEAR!

Monday, May 7, 2007

■ Dear Residents

Our Parks and Recreation Department is proud to work for the best community in the state - your home and ours - Clinton Township! We have made many strides this year in improving delivery of services to our families. We have brought back some of our summer concerts and dunk tank rentals. Look for the return of more old favorites in the upcoming year!

You asked for it and we delivered. Look for website registration very soon. At the time we went to print we were unsure exactly when the WebTrac system would be up and running. But check our website periodically (www.clintontownship-mi.gov) and look for an email or letter letting you know that this convenient addition is ready to serve you!

Many thanks to the army of residents who participated in our Recreation Master Plan process, whether you worked on a committee, submitted ideas, participated in the Community Open House . . . whatever the role, we appreciate your dedication and interest in the future of the Clinton Township community.

Sincerely,

Clinton Township Board of Trustees

Employee Spotlight

Meet. . . Samoane Williams

Ms. Samoane Williams is not your average high school senior . . . she balances a demanding school schedule and works at CTPR throughout the year; she does volunteer work and is active in show choir, drama, and student government.

Samoane Williams began her career at Clinton Township Parks and Recreation four years ago as a Day Camp Teen Volunteer. Even as a young teen she was giving back to her community and involved in

positive pursuits. Ms. Williams devoted two years of dedicated community service to CTPR programs. She returned to us in June 2006 as a paid day camp staff member and did an outstanding job! She is now the friendly person who greets you at the Clintondale Community pool as a Public Information Assistant. We always tell the teen volunteers in our program that we are preparing them to be outstanding employees for the first employer – Samoane is proof that the skills learned in the Teen

Volunteer program prepare our young people to earn and keep paying jobs.

Samoane is the daughter of proud parents, Eric and LaDon Williams. She is the patient and supportive big sister to Eric Jr., Cedric and Dawnyelle. Dazzler, the dog, rounds out this wonderful family.

Samoane will graduate from Chippewa Valley High School, Magna Cum Laude, and plans to pursue college at either Grand Valley State University or Wayne State University. While at Chippewa Valley, Samoane has been very active in Student Government, show choir and musical drama. She “wowed” everyone with her performance as “Muzzy” in “Thoroughly Modern Millie”.

When asked what she loves about her job, “I love seeing the different families that come into the pool and how excited they are to be there. I also love seeing the familiar faces at special events. I feel privileged to be able to be a part of such a program that greatly impacts these families.” The families of Clinton Township are privileged to have such a hard working, talented role model working on their behalf. CTPR is grateful to have such a warm and hardworking addition to our staff.

Family Testimonial

The Williams family moved to Clinton Township in 2002 and became involved with Clinton Township Parks and Recreation in 2003. Proud parents Eric and LaDon discovered the summer day camp program and quickly enrolled their children. After four years of active participation, the Williams family favorites include: swim lessons, swim parties, family field trips (especially the Piston Games) and aquacize as family favorites. Their children: Samoane – age 17, Eric – age 15, Cedric – age 13 and Dawnyelle – age 10 have made lifelong friendships and have many happy memories thanks to the family’s involvement with CTPR.

When asked what makes the programs stand out LaDon tells us, “the summer activities for children, extra curricular activities during school and classes that are not offered in some school settings” are what drew her to register with CTPR. Mrs. Williams goes on to explain, “I like the fact that the programs are designed for the family – they are especially cost effective for larger families.”

Making memories is our mission. The Williams family has some especially fond memories of the summer Olympics program. “It’s great, says LaDon, “it gives children a chance to compete and be proud of their accomplishments. It also teaches them organization and the responsibility of being a part of a team.” We are proud and honored to have the entire Williams family on our team. Samoane was a talented Teen Volunteer and is now an outstanding employee. Eric and Cedric are following in her footsteps as Teen Volunteers and young Dawnyelle is a joy in every program! Parents looking for an active and caring

environment can sign up now for these wonderful summer programs. We hope that your family will be the next one featured as our team and township grow in size and commitment – to family and fitness!

Important Information about Day Camp:

Dismissal –

At the time of registration you chose between two options:

- 1) Your child being allowed to come and go to the site as desired (staff will not hold child at site) **OR**
- 2) You will only be sending a specific set of adults who your child may be released to (all named at the time of registration, who will show ID to the staff before your child may leave). **Please remember to list every adult with contact information.**

Lunch – Lunch time on non-field trip days is 11:45 am – 12:30 pm. Children **MUST** go to a supervised location for lunch.

Field Trips – Each week there is a field trip. Not every child can attend every trip. When there is a field trip scheduled the site will be closed.

Parent Communication – Each Monday, the day camp staff will have a newsletter and lesson plan available showing the schedule for each day of the week. This will help you and your child attend the activities they are most interested in.

Day Camp vs. Day Care – This program can be a great addition to your child's summer but it is not a day care situation. Children should not come all day, every day unless they are prepared to take part in every activity. For the most positive experience, review the weekly lesson plan with your child and plan accordingly.

■ GEO Caching

RELEASE DATE: May 25th!

GO TO: WWW.GEOCACHING.COM

Search by zip code 48038 and look for "Recreation 07"

Must have internet access to participate.

What is GEOCACHING? Pronounced "Geo-cashing"

It's a family oriented activity that combines the use of technology with the thrill of "treasure hunting"! Geocaches are small containers of trinkets and a log book that individuals search for and they are hidden by players all over the world.

Clinton Township Parks and Recreation is excited to announce we have hidden our traditional cache! You and your family or friends will have the chance to be highlighted in our next Brochure! A FTF (first to find) prize will include a team photo in our next publication, along with some other goodies! We do have small "tokens" of appreciation for anyone finding our cache!

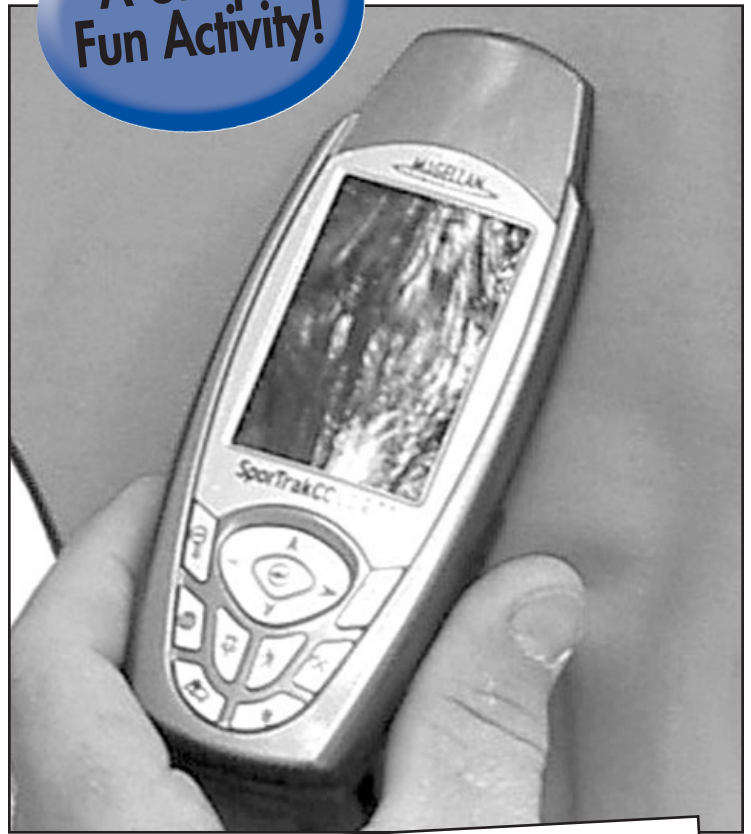

If you are new to this exciting activity go to Geocaching.com and get familiar with this thrilling sport.

HOW DO I GET STARTED?

If you are itching to get out there and try to find a cache before our release date, here's a quick start guide to get you going

1. Buy or borrow (from your Parks & Recreation Department) a GPS unit. You could also try finding an experienced cacher to go on your first outing.
2. Go to www.geocaching.com and click the "hide and seek a cache" link.
3. Type in your zip code and hit search. A list will be generated.
4. Find one that looks interesting. Each cache is rated for difficulty and terrain, try a 1 for your first!
5. Click on the link to open the page. At the top will be the coordinates for the cache.
6. Read the information. You will want to print a copy of the cache page and take it with you.
7. Dress for the adventure you have chosen and its always smart to be prepared with first aid!
8. Now, you're ready to set out! Read the user manual for the GPS unit you've chosen and learn how to input the coordinates for the cache you're going to seek. Then use the GPS "goto" feature to set the GPS into the seek mode.
9. Using the seek mode, you should be able to make your way to the cache. When the distance to the cache is less than 30 feet, begin to look around for the hiding spot. (Remember, accuracy on a GPS unit is only 10-20 feet)
10. You may think this will be easy, but it can be very challenging. While looking, be thorough. Caches can not be buried. You do not need to dig or break branches to find it.
11. Once you find the cache, enter your name in the logbook, trade a trinket if you wish and re-hide it exactly as you found it.
12. If you choose, create an account on geocaching.com and log your find online.

**A Unique
Fun Activity!**

THE AMERICANS WITH DISABILITIES ACT

The Americans with Disabilities Act went into effect on January 26, 1992. To this nation's more than 43 million citizens with disabilities, the ADA represents an unprecedented opportunity to eliminate the barriers to independence and productivity.

The purpose of the ADA is to extend to people with disabilities civil rights similar to those now available on the

basis of race, color, sex, national origin and religion through the civil rights act of 1964. It prohibits discrimination on the basis of disability in the private sector and in state and local private entities. It also includes provisions for telecommunications relay services.

The Charter Township of Clinton honors the ADA and will work diligently to make the necessary accommodations for

individuals who need them. Please use the appropriate area on the registration form to make us aware of your situation and needs prior to your participation in a Clinton Township Parks and Recreation program.

COPIES OF THE ADA ARE AVAILABLE FROM YOUR SENATORS AND REPRESENTATIVES AND CAN BE FOUND IN YOUR LOCAL LIBRARY.

ONE HOUSEHOLD PER REGISTRATION FORM

Only persons residing in the same household can be included on a single registration form. Only parents and/or legal guardians may sign the waiver form for minor children in the household.

MAIL IN ONLY REGISTRATION POLICY

Certain programs and events are specified as “MAIL-IN ONLY” registration. Mail-in only registration is done for your convenience and fairness. This procedure gives every resident the same chance to register for popular programs without the inconvenience of waiting in line, missing work etc. Mail-in only registrations must be received through the U.S. Mail, stamped, postmarked and delivered to our office by mail carrier. Mail-in only registrations received prior to the ‘mail-in date’ will be returned to the applicant.

HELPFUL HINTS

To insure that your family and another family will attend the same class/event or to be seated together, registration forms should be mailed together in the same envelope or submitted at the same time. Use the “Check List” on each registration form to verify that forms are complete. For mail-in only registration, it is recommended to use a Clinton Township or Mt. Clemens post office for a timely delivery.

NO HASSLE REFUND

Your time and money are important investments. That is why Clinton Township Parks and Recreation has a special refund policy for all of our in-house programs. If you are dissatisfied, for any reason, we will refund the full amount of your registration fee. This policy is not able to cover commercial ticket sales or contractual classes. Pro-rated refunds will not be retroactive and must be assessed from the date of contact to our office. Pro-rated refunds cannot be given for vacation, schedule conflicts or other non-emergency situations. Your satisfaction is always guaranteed at Clinton Township Parks and Recreation.

REFUNDS

To receive a refund for a program or event, you must call the Parks and Recreation office at least two (2) business days prior to the event date. This allows us to place persons on a waiting list in your spot. Without this timely notice, a full refund is not available. A credit will be placed on your account for any refund under \$5.00. If this credit is not used within one year from the credit date, your account will be cleared.

RETURNED CHECK FEE

A check returned for insufficient funds will result in a \$25.00 fee being assessed on your account. Participation in further programs may be suspended until this fee is paid.

Accepted forms of payment are cash, checks, money orders and VISA or Mastercard. Payment must be made at the time of registration. A scholarship program is available for certain in house programs to families who qualify.
